

Insurance for Barristers Chambers

Protect your Chambers with a choice of these covers

Fire & Defined Events *

This cover insures you for loss or damage to your premises and contents of your Chambers as a result of certain defined events such as a fire, explosion, rain and hail.

Business Interruption *

Business Interruption cover helps to provide financial protection if there is a reduction or interruption to your business from loss or damage to your property, which is covered under another risk within the policy.

Broadform Liability *

Broadform Liability insurance provides cover to a stated limit for when you become legally liable for personal injury, including death, or damage to property, as a result of an occurrence connected with your chambers.

Burglary/Theft *

Following a violent and forced entry, Burglary insurance covers you for theft of the contents of the Chambers which are used in your business.
