EPLA Conference 09

Environment and Planning Law Association (NSW) Inc.

The first ELA/EPLA Conference was held at the Powerhouse Museum in 1988, and we return there on the occasion of our 21st Anniversary.

The 2009 Conference will be of interest to all persons who have an involvement in the field of environmental and planning law in NSW. The papers will focus on the important issues of:

- Changes to the approval processes in NSW including the adoption of model residential and commercial codes.
- Planning for Bushfire Protection and the lessons to be learned from the Victorian Bushfires.
- Heritage.

Persons practicing in the Land Environment Court should not miss our session on *Recent Developments in Planning and Development Law* and our *Commissioner Panel*.

EPLA provides an opportunity for practitioners to meet their mandatory CLE and CPD requirements at the Conference, as well as to engage with fellow practitioners and consultants in an informal atmosphere.

In addition to the more formal parts of the Conference, there will be a Pool Competition at the end of day one at the famous Pyrmont Bridge Hotel and the social experience of the Conference dinner on Friday night.

The dinner will be held at the historic Vacluse House Tearooms, built between 1805 and 1860, with the meal provided by Fresh Catering using produce grown in the gardens of Vacluse House. To celebrate the 21st Anniversary EPLA Conference, the dinner will be Black Tie. The dinner, as always, promises to be the highlight of the Conference. Transport will be provided.

I look forward to seeing you at the Conference.

Sandra Duggan
