

Context and Construction

New South Wales and Commonwealth Statutory Interpretation Decisions

In Sydney, Context and Construction will focus on New South Wales and Commonwealth cases that are current and important and which illustrate major principles of statutory interpretation.

Cases discussed or highlighted will be selected for their currency, intrinsic interest and relevance to statutory interpretation.

The seminar will include provision of case notes on all cases for the participants.

This seminar will cover subjects including:

- current judicial approaches to statutory interpretation
- case studies of interpretative practice
- leading interpretative principles.

Current and topical statutory interpretation cases are vital to the understanding and appreciation of this important area of law.

We look forward to your company on the day.
