The Bar Association through the ADR Committee provides members with a minimum of 7 years' experience as a legal practitioner and a current practicing certificate the opportunity to become approved Arbitrators under BarADR.

This Q&A session is a follow on from the previous CPD run on 18 July 2017. Experienced Arbitrators will address any questions arising from participants required online viewing of Arbitration workshops before they are eligible to undertake the assessment component of the approval process. This seminar will be a useful refresher for those Arbitrators already approved under the BarADR Scheme.

At the conclusion of the seminar the interim award scenario will be distributed to interested participants who are not already approved under the BarADR Scheme. Completed awards and applications must be submitted through the online application system by 5pm on Tuesday 15 August 2017.

Arbitrators who are already approved will not need to complete the assessment, but will be required to submit an online application prior to 5pm on Tuesday 15 August 2017.
