In September 2017, Richard Weinstein SC was appointed NSW Bar Association Advocate for Change.

The Advocates for Change program provides role models who are excellent practitioners and who, through the example of what they do and say in their professional lives as barristers, represent the full width of diversity and inclusion that the NSW Bar Association wishes to promote at the Bar.

Richard's work in promoting LGBTI diversity and inclusion at the Bar has been significant. Join us, in conversation with Richard to hear about his experiences in practice, being a member of the NSW Bar and how he intends to promote a more diverse and inclusive bar.
