SKILLS STRAND

The Bar Association through the ADR Committee provides members with a minimum of 7 years' experience as a legal practitioner and a current practicing certificate the opportunity to become approved Arbitrators under BarADR.

This information evening is necessary for practitioners interested in becoming a BarADR Approved Arbitrator. (Current BarADR approved Arbitrators are also most welcome to attend.) The 2017 application process will be explained since both those interested in becoming a BarADR Approved Arbitrator and current BarADR approved Arbitrators must submit an online application this year. The Chair of the ADR Committee will provide an overview of the BarADR approval process and explain what is involved in becoming a BarADR Arbitrator.

A list of BarADR Arbitrators is publicised on the NSW Bar Association website and is used by the Local and District Courts when referring matters for arbitration as well as used by the Association when recommending Arbitrators.

**THIS SEMINAR IS OPEN TO MEMBERS OF THE  
NSW BAR ASSOCIATION**

Registration is required.
